payment history and other factors RJIL at its sole discretion may allow usage beyond your available standard credit limit without changing the limit.

Your monthly bill will be sent through e-mail on the Registered Mail Id.

Your monthly rental as given in the tariff plan above is inclusive of all fixed charges. You will be charged extra for any packs / boosters /VAS services opted by you as per the prevailing tariff. Taxes, as applicable from time to time, will be charged over and above the monthly charges.

Please note that your first bill will not be of 30 days, it will be for the number of days from date of activation till date of issuance of the bill. Accordingly, you will be charged plan rental for lesser number of days and data quota will also be applicable on prorated basis. From your second bill onwards, you will be charged full monthly rental as per your tariff plan and you can enjoy complete data quota as per your bill plan.

Your usage will be rounded off to the next higher pulse for voice and data usage. As per TRAI's regulation, the tariff is charged depending on the duration which is recorded to be within +/- 1 second, traceable to an appropriate time reference.
